

DOWELL PENINSULA HISTORY PROJECT

at Annmarie Sculpture Garden & Arts Center

Dowell Peninsula History Project Scanning Party!

Wednesday, May 24th, 4-7pm

Sunday, June 25, 2-5pm

It's time to dig through those old boxes and see what items you have related to the Dowell Peninsula!

As part of our Dowell Peninsula History Project, the public is invited to bring in photos, documents, and other objects related to the history of the Dowell Peninsula.

We are seeking any and all items related to living and working on the Dowell Peninsula, including family photographs, letters, land records, items related to Dowell businesses and recreation, and any other relevant objects.

If you have sensitive or private materials that you are hesitant to share, let us know and we can discuss options with you.

Please note: we will not be keeping any items, we will scan and/or photograph items and return them to you the same day.
