

St. Mary County History Day

Rights and Responsibilities in History

MARYLAND

HISTORY DAY

What is it?

St. Mary's County History Day is a district-level contest associated with Maryland History Day and National History Day. Middle and high school students create unique projects based on in-depth research about each year's theme. Projects are placed into five categories: research paper, exhibit, documentary, website, or performance.

When is it?

The St. Mary's County History Day contest will be held on March 8th, 2025 at the Leonardtown Public Library from 9:00 am to 3:00 pm.

Scan the QR code for more information about the contest.

Why do it?

This is a chance for students to develop critical skills such as time management, research and analysis, writing, and public speaking. These are skills that will be used throughout their entire professional lives.

The district-level winners will advance to the state-level contest.
